Policies and Procedures

Chorley Tennis Club has a wide-range of policies and procedures in place for the benefit and welfare of its members. These policies form a part of the LTA's assessment process which has accredited Chorley Tennis Club with registered venue status.

Some of the policies which are in place are diversity and inclusion; safeguarding; whistleblowing; complaints. Other specific policies cover individual events which may take place at Chorley Tennis Club.

Copies of these policies can be obtained from the club Secretary. Additionally, these policies can be viewed on the club website (<https://chorleytennis.co.uk/>). Some of these policies are on display in the clubhouse. Policies are reviewed biannually as required by the LTA.
